

# GB Development Officer Position

Paul Rees, National Development Manager, Tel.01202 770894, [dpaul.rees@ntlworld.com](mailto:dpaul.rees@ntlworld.com)

Friends and Colleagues,

After much deliberation over the last few months I have decided to stand down as GBPF National Development Manager. I am very grateful to so many of you who have worked with me and supported my activities during the last eighteen months. Increased coaching demands and administration of our club in Bournemouth now accounts for 18 hours of my time each and every week and this is as much voluntary time as I can devote on a regular basis.

In the events and activities that I have led while in post, I am most grateful for your support and enthusiasm, and also wish to acknowledge others who have helped, outside the executive, at this time!

These include the good people who helped with the following:

- B.U.C.S. UNIVERSITIES CHAMPS., Bournemouth University, 2008(BWLA) & 2009
- DEVELOPMENT SQUADS IN GL,NM,SE,SW,YNE 2009/2010
- DIVISIONAL DEVELOPMENT REPRESENTATIVES.(Where appointed)
- REFEREES, LOADERS AND STAFF FOR :-
  - THE BRITISH UNEQUIPPED, BOURNEMOUTH 2009.
  - THE BRITISH JUNIORS, BOURNEMOUTH 2010.

AND! Above all thank you to the LIFTERS who have so cheerfully (most of the time - LOL) lifted at and made the Squads and Championships so enjoyable.

I remain fully committed to Powerlifting, Strength and Powersports, and look forward to seeing you all at future events. As well as my respect to our Executive Officers, who I know work so hard for us, I wish to express my last thoughts for Barry Nelson and Mick Barry; I miss both of them, they gave us all so much before their tragic passing.

Kindest Regards

and THANKYOU,

Paul Rees, National Development Manager
